8 *Die Hauptstadt Berlin.* After reading about Berlin in the *Aktuelles* section, you have become somewhat familiar with Germany's capital city. Select one of the important sights listed at the bottom of the Berlin map (at the front of your textbook) and write a few sentences about it. You may want to use the library or the Internet for information about your topic (Note: You'll find lots of information on this web site: www.berlin.de). You should include the name and location of the sight, its historical significance and a description.
